Flags of Our Heroes Application

Flags of Our Heroes is an initiative of the Honor Flight Network developed to show the respect so richly deserved to America's deceased Veterans and their families. Our wish is to provide these families the opportunity to know that their family member was shown the highest regard and respect at their memorial. Simply provide a photo (during their time in service or more recent) of the Veteran no later than one week prior to mission execution (an 8 X 10 is preferred, but almost any photo will do). ODHF will then take this photo to the applicable memorial in Washington D.C. on the next available mission. The family will receive a photo and a certificate from ODHF honoring the Veteran.
